WHO WE ARE

STEM Global Public School is an initiative of STEM GPS Educational & Charitable Trust, committed to nurturing future-ready learners through a blend of Montessori philosophy, STEM-based learning, and NEP-supported CBSE education.

OUR EDUCATIONAL APPROACH

- Montessori Foundation (Early Years):

Child-led, activity-based learning that develops independence, concentration, and confidence.

- STEM-Based Learning (Primary & Middle School):

Integrating Science, Technology, Engineering, and Mathematics to enhance critical thinking, creativity, and problem-solving skills.

- NEP 2020 Alignment:

Focus on conceptual clarity, experiential learning, competency-based assessment, and holistic development.

OUR EDUCATIONAL APPROACH

- Child-friendly, stress-free learning environment
- Highly qualified, skilled & experienced faculty
- Visual, hands-on & experiential teaching methods
- Individual attention & value-based education
- Strong academic foundation with life skills

INFRASTRUCTURE & FACILITIES

- Modern, safe & well-ventilated campus
- Well-equipped Montessori Labs
- Advanced STEM Laboratories
- Kids' Park & activity zones
- Smart classrooms & learning resources

OUR VISION

To create confident, compassionate, innovative learners prepared for academic excellence and real-world challenges.

CBSE EDUCATION (PROPOSED UP TO GRADE X)

A seamless transition from Montessori to STEM, ensuring continuity, quality, and excellence in education.
